

Western PA ARES Net - Preamble

3.983 mhz @ 0900 Hrs. on Saturdays

Date: _____

NCS: _____

Welcome to the Western PA ARES Voice net. This is a directed net that meets on this frequency every Saturday morning at 9am local time. Stations please standby until your county is called.

Is there any emergency or priority traffic?

We will start with North 1 District. Please state if you have any announcements for the net.

North 1

Clarion								
Crawford								
Erie								
Forest								
Lawrence								
Mercer								
Venango								
Warren								

North 2

Cameron								
Centre								
Clearfield								
Clinton								
Elk								
Jefferson								
McKean								
Potter								

South 1

Allegheny								
Armstrong								
Beaver								
Butler								
Fayette								
Green								
Indiana								
Washington								
Westmoreland								

South 2

Bedford								
Blair								
Cambria								
Franklin								
Fulton								
Huntington								
Mifflin								
Somerset								

That concludes the call-up by district. Do we have any additional checkins?

Do we have any traffic from the Section Emergency Coordinator?

Do we have any traffic from the Section Manager

We will now pass any listed announcement. (Please call stations with traffic)

This concludes the Western PA ARES Voice Net. We would like to thank our fellow hams for the use of the frequency.
